Special meeting called to order by president Arik Solheim

Agenda For Meeting: Double Rostering

An incident occurred with some skaters that double roster. The players were playing in a tournament and missed a game because of it. The game was with their age group. The coach felt the players should have been at the game and not playing at the tournament. As of now we have nothing in our handbook regarding the double rostering. It is felt by the board that some guidelines should be in place for double rostering. Many attended the meeting and all were able to give opinions and options. A motion was made by Laurie Coleman to have below rule in place for the May-Port Hockey Club.

Player's primary team is the age classification they fall under according to NDAHA. This includes practices, games and tournaments. When conflicts occur the scheduler will be contacted to make changes if possible.

Milo Braaten second the motion. Votes: Arik Solheim – yes, Laurie Coleman – yes, Jeff Anderson – yes, Milo Braaten – yes, LaDonna Nelson – did not vote, Kathy Knudson – did not vote. Motion passed. This will be placed in handbook.
